JUNE UPDATES and FEATURES

Tuesday, 29 May 2018

Dear Colleagues, Friends and Supporters of OIRF,

☞ Summer greetings! As we prepare for the slower and warmer summer months here in our beautiful Okanagan Valley, we're also doing some major housecleaning and downsizing in our offices. It's just time to reduce all the "stuff" in our little medical office. Here's an opportunity for those of you who move quickly to pick up some of the Institute's demonstrator devices.

Some of these devices are "older", some have been discontinued, some are no longer made and some we have replaced with newer models. All of these devices are offered "as is" for the prices listed (set pricing, but cash discounts available).

Information and descriptions of still made devices are shown on our website and I've tried to show you the links. All of this is a one-time offer, and I would like to see these devices go into new homes where they will be cherished and used on a regular basis. The MORA Super+ itself was Dr. Sturm's personal unit and has been refurbished and maintained in pristine condition – a real steal for someone! All devices are in working order and are available for immediate shipment to their new homes.

During the next few summer months our office hours will be somewhat irregular although we will be available most weekday mornings between 8:00AM and 12:00 Noon. We offer apologies if you have a challenge getting through to us by telephone. Best bet is to send us an email and we will get back to you as quickly as possible.

Please see over for the chart and listings of what's available and the pricing.

Device	Accessories	US \$ Price
MORA Super Plus SN 01.0231.6232 Med-Tronik	Laptop: ASUS, 17", Windows 10, Software Installed with Hardlock (dongle) SN2711 Software: ELH includes std 10, plus Meridian Test Set (Morell), Dental, Sanum, Universal H (Heel), Universal W (Wala)Orthica, Dermatology TS, System TS/Cornelissen, Degeneration & Mitochondropathy/ Cornelissen, Color TS and several others MORA Super Interface for ELH: SN 92.00211 MORA Super Amp SN 3201.0006 Accessories: Lg & Sm honeycomb, Lg & Sm active magnetic elects., assorted cup elects., 3 rollers, 2 spin testers, dental elects., Bottle elect., Point elects., Comb elect., acupressure elect., Schumann hand electrode, assorted silver, brass & gold hand elects., flexible elects., collection of various tips and 2 x Mecos (with cables galore), plug in adapters http://www.oirf.com/inst-mora_super_plus.html Please note this is a package deal and nothing will be sold separately!!!	15,000
